Honorable Ron Menor  
Chair, City Council  
City and County of Honolulu

Mr. Chair:

Your Committee on Parks, Community and Customer Services considered Bill 23 (2017) entitled:

"A BILL FOR AN ORDINANCE RELATING TO CITY PARKS AND  
RECREATIONAL FACILITIES,"

which passed second reading and a public hearing held at the March 22, 2017 Council meeting, reports as follows:

The purpose of the Bill is to clarify the status of parks and recreational facilities under the ownership, management, or control of the City and County of Honolulu.

The Director of Enterprise Services testified in opposition to the Bill, noting that the Department has listened to the concerns of Councilmembers and the community, and that many of these concerns can be addressed through the administrative rule-making process.

Your Committee received written testimony from three individuals in support of the Bill. Written testimony was also received from the following institutions, organizations, and governmental agencies:

- Makiki Neighborhood Board 10 (support)
